Sub: REWARDS--Bellary taluk and town--Good work done in a case of fire accident--Payment of money rewards--Report Submitted.

***

On 1-3-43 at about 10 P.M. the house of Hundekar Hussain Sahil of Bellary town caught fire. Immediately on receipt of this information Sergeant C. Suryanarayana Naidu phoned to the Armoary for Reserve men and hurried to the spot with six constables who were moved by the helpless condition of four bulls which were inside the burning house, x Each of the seven constables who followed him played his part without considering the danger to which he was exposed and saved the bulls and removed most of the other property from the danger zone and thus prevented wholesale damage to the personal and other property of the house owner. The fire was brought under control with the help of others. Two of the bulls that were badly burnt were immediately sent to the local Veterinary Hospital for treatement.

x he risked his life entered it & brought the four heads of cattle outside the burning house.

2. Had it not been for the promptitude and courage of the police constables and the sergeant much damage to person and property would have occurred. Property valued at Rs.300/- appears to have been saved.

3. A certificate of good work has been given to the sergeant. And the six police constables deserve small money rewards.

The owner of the house which caught fire is not well enough off to give any rewards. He is a man of ordinary means and a hundkar by profession.

4. According to item No.13 under Article 213 of M.F.C. Vol.1 rewards for saving or attempting to save human lives are payable not from discretionary grants but in the present case, it is one saving the lives of cattle and property. I therefore request that the Board may be pleased to consider the payment of reward, at the rate of Rs.5/- to each of the constables and the charge debited to "57.Miscellaneous and unforeseen charges - Dns."

P 126 Bk No. 11

5. The Police constables concerned are P.C. Nos.432, 775, 3[illegible] and 142 and H.C. Nos.120 and 222 and they did a good job.
